Employee Referral Program

All current job opening are eligible for the Employee Referral Program

Who is eligible to participate?

Any employee on CrownIT Solutions, LLC payroll can participate with the exception of back office staff, executive staff and employees in the Human Resources Department, and direct or indirect supervisors of the designated job opening.

What position is bonus eligible?

Any full or part-time position that has been posted on the CrownIT Solutions, LLC website is bonus eligible for \$500 to \$700 based upon the position hired.

How do I refer someone?

Your referral should complete an Employee Referral Bonus Form and submit it with the application at the time they complete the application for employment (this can be done as late as the new employee's first day of work). Only candidates referred from external sources qualify for the bonus. Anyone who has worked for CrownIT Solutions, LLC within the last twelve months does not qualify as bonus eligible candidates. This includes regular, student, as well as employees working at CrownIT Solutions, LLC through a temporary agency or as an independent consultant.

When do I receive the bonus?

You will receive your bonus after the new employee has worked 90 consecutive business days. Both you and the new employee must be employed by CrownIT Solutions, LLC at the time of the bonus payment.
